Boil Water Notice Rescinded November 28, 2022

On November 27, 2022, the City of Bellaire Public Water System (TX1010004) issued a Boil Water Notice to inform customers, individuals, or employees that due to conditions that occurred in the City of Houston's Main Public Water System, the water from this public water system should be boiled prior to use for drinking water or human consumption purposes.

Upon further investigation, it was determined that events in the City of Houston's Main Public Water System did not impact water quality in the City of Bellaire's Public Water System. Therefore the City of Bellaire Public Water System is rescinding the Boil Water Notice effective 7:00 PM November 28, 2022.

If you have questions concerning this matter, please contact the City of Bellaire Public Works Department at 713-662-8170 during regular business hours or the City of Bellaire Police Department non-emergency number at 713-668-0487 after regular business hours.
